Enclosed you will find a curious bit of Confederate local scrip. Autographic. The possibilities of such a currency are immense. as a fair money, it exceeds the Greenback & Free Silver dreams. Recently unearthed in the back of disused desk, owner thinks as a curio it ought to be worth at least $20.00. Never saw anything of the sort before. and think its issue very limited. for the C.S.A. Gov were short after the issuance of local scrip. after that got things running
